OUR FITTING PROCESS

1. Contact Us for Your Free In-home Quotation

Reach out to us to schedule your complimentary in-home quotation.

2. Measurement and Sample Visit

Our representative will visit your home on the agreed-upon date to take measurements and bring samples of wall and floor panels. During this visit, we'll also provide an instant price estimate based on your chosen preferences. If your project requires any non-standard reworks, the quote may take up to 24 hours.

3. Schedule Your Work

If you're satisfied with the investment in your new bathroom, we'll schedule a date for the work to begin.

4. Recycling Old Fixings

After completion, we ensure your old fixtures are uplifted for recycling, promoting environmental responsibility and sustainability.

BESPOKE

From cloakrooms to unique layouts, we have the expertise to tackle any bathroom space.

Whether it's swapping a shower for a bath or vice versa, we'll find the perfect solution for your needs.

STRESS FREE

Our bathrooms come fully supplied and fitted, streamlining the process for you.

Say goodbye to the hassle of navigating different types and sizes in showrooms – we handle everything from start to finish.

BRUSH & HAMMER

QUALITY ACCESSORIES

Customise your bathroom package with a choice of sleek black, timeless chrome, or luxurious gold accessories.

From basin taps to bath taps and shower heads, basin and bath wastes, radiators, and corner trims, we offer a curated selection to complement your design vision.

Choose the perfect finishing touches to add flair and functionality to your bathroom oasis.

WALL PANELS

Our wall panels are crafted from high-quality PVC material, ensuring durability and longevity in your bathroom space. With a thickness of 8mm, these panels offer robustness without sacrificing elegance.

Waterproof and fireproof, our panels provide peace of mind, standing up to the rigours of daily use while maintaining their pristine appearance for years to come. From the luxurious elegance of white marble to the industrial chic of grey concrete, we offer a diverse range of designs to suit every taste and style preference.

When you schedule your free in-home quotation, our representative will arrive equipped with a current available sample pack, allowing you to see and feel the quality of our wall panels firsthand.

Experience the difference our wall panels can make in transforming your bathroom into a stylish sanctuary of relaxation and beauty.

FREQUENTLY ASKED QUESTIONS

Q: What kind of warranty or guarantee do you offer on your wet wall fitting services?

A: All our products come with a manufacturer's warranty. Additionally, we provide a one-year warranty on our fitting services to ensure customer satisfaction and peace of mind.

Q: Are wet wall panels easy to clean and maintain?

A: Yes, wet wall panels are easy to clean and maintain. They typically require only a simple wipe down with a mild cleaning solution to keep them looking fresh and new.

Q: Can wet wall panels be installed over existing tiles?

A: Yes, in many cases, wet wall panels can be installed over existing tiles, saving time and money on the removal of old tiles.

Q: Are wet wall panels suitable for all bathroom sizes and shapes?

A: Yes, wet wall panels can be cut and fitted to accommodate various bathroom sizes and shapes, making them highly versatile for any space.

Q: How long does the wet wall fitting process typically take?

A: The wet wall fitting process usually takes 2-4 days, depending on the size of the bathroom and the complexity of the installation.

Q: What are the benefits of choosing wet wall panels over traditional tiling options?

A: Apart from saving thousands of pounds compared to tiled bathrooms, wet wall panels offer benefits such as easier installation, reduced maintenance, and a seamless, waterproof finish compared to traditional tiling options due to the lack of grout.
